

A Collaborative Community of Passionate Learners

Wednesday 27 June 2018 Issue No 19

Hello everyone

With the end of term only around the corner it is exciting to see and hear about the work that has been completed this term, read the reports and learn about the progress that every child is making and also have wonderful events such as the Career's Expo happen that really brings the community into the school.

We were lucky enough to have 25 parents volunteer their time and knowledge to share what they do as a profession and how our school values are intrinsically linked to what each person does in their field or profession. It was great to hear the speakers explain how they act to uphold these values and I thank everyone who came in to speak to our students. I also want to thank Mrs Otten for organising the event as part of the MyEducation initiative.

You should have received your online booking information for our Parent Teacher Interviews to be held in week 2 of Term 3. Please fill in these to ensure you have a chance to discuss your child, their report and what home and school can do to support each child achieve all that they can in the coming two terms. If you have problems booking, please contact Ali or Kat in the office on 62 341 705.

All the best
Charles White
Principal

Early Childhood Cross Country (Prep- 2)

Congratulations to all students who participated in our school Cross Country. It was fantastic to see you all doing your best and having fun!

A big thank you to all the grade 6 volunteers and houses captains that helped on the day. You were great helpers and supported students throughout the carnival, well done.

Thank you to all parents who attended our carnival your help is much appreciated.

Congratulations to Isabella W and Jasmine W who represented our school at the All School Cross Country at Symmons Plains yesterday, Tuesday 26. I believe out of 300 hundred students running in Isabella's race she came a respectable 100 place, Jasmine came in the top 30 in her age group. Well done Isabella and Jasmine. Fantastic effort.

Respectful Schools, Respectful Relationships

"Respectful, caring and reciprocal relationships support learning outcomes"

Careers Expo

What a fantastic effort the school community put forth towards our Career Expo last Friday. Students were treated to 25 different presenters throughout the event. We had Scientists, Musicians, Doctors, an Author, Lawyer, Fireman, Policeman, Regional Developer, Engineer, Disability Services, DJ, Business Owner, IT Manager, Museum Employee, Film Maker, Musician, Lab Manager, Mathematician and more. Our students were exposed to a wealth of information and we are very grateful to all of our volunteers. It is a fantastic way to connect with our community as students come to realise that our school values will serve them well in the future, regardless of their career choice. It is also a chance for those people who can't commit regularly to volunteering in our classrooms, to come along and see our wonderful students in action. I know we had some very proud students who were excited to have their parents/grandparents come along. We appreciate your support.

ENTERTAINMENT BOOK 2018/2019

Please help our school fundraise for *Story Dogs*, a reading support program where selected children read to an accredited dog and its handler – *Story Dogs* 'mission is to make reading fun for children, so they become confident lifelong readers.'

Mini Marimba Mania.

8 schools groove together!

On Thursday June 21 the marimba group took part in a mini Marimba festival at The Friends School.

Students from 8 other schools arrived at Friends by 4 pm to rehearse and then perform together.

A visiting marimba lecturer from Washington USA had arranged the songs and lead the group.

Our students were lively and creative and played really well together.

A huge thank you to Karin Murray for loading all those marimbas in her car.

And thank you to all parents who came along and made this event possible.
