

A Collaborative Community of Passionate Learners

Wednesday 12 September 2018 Issue No 28

Hello everyone,

It was a fantastic start to the week, with Create '18 being an amazing celebration of our school community's creativity and artistic skills. The hard work of all the staff to get the GP Hall looking like an art gallery was well above and beyond the normal expectations, with interactive, unique and individual pieces from every student from Kinder to Grade 6 creating a wonderful event that many people attended from local schools, old scholars and the local extended families. Thank you to everyone who attended and shared their feedback.

Many of you will receive your child's NAPLAN results this week if they are in Grades 3 or 5. These reports are issued by ACARA who administer the NAPLAN tests. If you have any questions or queries about the report you receive please feel free to contact the school office.

From Friday I will be on leave with my family until the start of Term 4. Lisa Nichols has been appointed principal while I am on leave and I know that she will ensure that we finish the term in the positive and productive way that we have worked all year.

When we resume in Term 4 we will start our process of enrolling new Kindergarten students so please ensure all the relevant enrolments are in, while we will also look at the class structures and groupings for next year. This is an approach that is based on the best outcomes for all students and once we have confirmed all of these aspects and resolved our staffing we will share the information with our community.

DUTY OF CARE HOURS supervision is after 8:30am and until 3:15pm daily. **Uniting Scots Early Learning Centre** provide onsite supervision.

Dance Event 19th September

Students in Prep- Grade 4/5 have learnt a variety of dances in preparation for the 2018 Dance Event. The Dance event is held every second year. We are all very excited to be apart of this amazing event this year. It is going to be held on the 19 of September at the Kingborough sports center.

We are looking for volunteers to assist us on the day. Unfortunatley we do not have room on the bus for volunteers, we will need to meet you at the event. If you are available to assist on the day please leave your name with our office staff and I will get in touch closer to the date.

Dance Session Times:

Upper Primary- 11am -12pm

Early Childhood- 12.30pm - 1.30pm

Swimming Carnival 21 September

Our annual swimming carnival is fast approaching on Friday the 21st September. Students will have house meetings this week to discuss the structure, events and procedures of the day. We are looking for volunteers to assist us on the day. If you are available to assist please leave your name with our office staff and I will be in touch.

Location: Clarence Pool

Start time: 9.30am

Finish time: 2.00pm

Program: Is available from the school office and also on our facebook page(closer to the date)

Triathlon Schools Challenge

The Triathlon Schools Challenge will be held on the 23rd of November 2018. Students in grade 3-6 are invited to participate in this event. Entry forms and information sheets will be sent home with interested students this Thursday the 6th of September. **Entry forms must be returned to the school office no later than Friday 14 September. Please return your entry form with the correct money to the office.**

The aims of the Schools Triathlon Challenge are:

1. To help promote active and healthy lifestyle choices to students.
2. To provide a pathway for students to become engaged in physical activity.
3. To provide students with an opportunity to undertake an achievable personal challenge.

Participation is the foundation of this event and students will be encouraged to be involved regardless of current fitness level, ability, previous experience or preferred sport.

Students will come to appreciate the sense of achievement that comes with the challenge of completing a Triathlon.

This is a fantastic event; I look forward to working with students involved. If you have any questions about the event please contact me or visit the website for further information: www.schoolstriathlonchallenge.com

Soccer

With only one game left to go for this season, I hope everyone involved has enjoyed their year. Have fun at your last game (especially the U12s!)

After 5 years of running Mt Stuart Soccer, it is time to hand over the reins. If you are interested in taking on this role, please email me at mountstUARTsoccer@gmail.com - it doesn't have to be one person, preferably a few volunteers would make it easier. An instruction manual will be provided.

Respectful Schools, Respectful Relationships

“Respectful, caring and reciprocal relationships support learning outcomes”

The SRC are continuing with their War on Waste. Our first whole school challenge was a suggestion from Nellie in Grade 2 – and it was fantastic to note that most students took the challenge to heart and gave it their best. Congratulations, Nellie!

This fortnight’s challenge is for each class to source a compost bucket for their classroom. Some classes are already doing this well, but as we have had issues with ants we need to source buckets with tight sealing lids – so if you have one of these at home that you can spare, please send it in.

We also would like to encourage everyone to use the compost as over 19.5 kgs of our overall 52kg of landfill in our waste audit was uneaten food. Please note though that we are not encouraging meat in the compost as this attracts rats. Each class will soon be nominating a VIC – Very Important Composter to help ensure that the compost gets emptied daily. VIC’s will be publicised in the newsletter, photos will be displayed and volunteers will be formally recognised at our next whole school assembly. Another of our keen Grade 2 environmentalists suggested that we need to have a compost available outside during break times so we are also working on this. Students also suggested that we encourage parents not to send too much food with their children so that it is not wasted. Also, it would be great if parents encouraged their children to bring home uneaten food; we even found two tins of unopened tuna in our audit!

We trialled the Yellow Bin on the netball court at lunch on Friday and before the monitors even got there, one of the bins was already contaminated with a toasted sandwich. We really need to work together to train our students how to separate landfill from recycling so that we can ensure that we don’t contaminate our recycling.

On the 18th September our whole staff and the SRC will be watching an episode on The War on Waste after school. We will look at what else we can do to make a difference. It is a pleasure to work with such a motivated and passionate group of teachers and students and I look forward to sharing more of our successes.

MSPS is currently in the process of renewing our Move Well Eat Well Policy.

The Move Well Eat Well Award Program is a comprehensive,
straightforward guide to creating a healthier environment for children.

The Award is made up of six healthy messages:

- ☐ ☐ Tap into Water Every Day
- ☐ ☐ Plant Fruit & Veg in Your Lunchbox
- ☐ ☐ Limit 'Occasional' Foods
- ☐ ☐ Move, Play and Go
- ☐ ☐ Turn Off Switch to Play
- ☐ ☐ Stride and Ride.

The seventh Health Promoting School criteria ties the Move Well Eat Well
messages together to promote lasting change and link with families. For

Congratulations to the amazing students of Grade 1KB who read 278 books and raised a phenomenal \$2138.48 in this year's MS Readathon. What a fantastic achievement! You have all made a wonderful difference to the lives of people with MS. We are very proud of you! Thank you to all the parents and sponsors for their support.
